

LEMHI COUNTY COMMUNITY CONVERSATION

JOIN US FOR A DINNER AND DISCUSSION ABOUT
THE CRITICAL NEEDS FACING YOUR COMMUNITY

LEMHI COUNTY COMMUNITY CONVERSATION:

DATE: Monday, October 22, 2018

TIME: 6 pm - 8 pm

LOCATION: Sacajawea Center
2700 Main St
Salmon, ID 83467

TABLE TOPICS:

All community members are invited and encouraged to attend. A light meal will be served and we will host a Community Conversation focusing on the critical needs of your community.

Conversation topics will include health, education, and financial stability, including the effects the housing crisis in Eastern Idaho is having on your local community.

Findings from these Community Conversations will be part of an Eastern Idaho Community Needs Assessment, produced in cooperation between United Way, Eastern Idaho Community Action Partnership, and Eastern Idaho Public Health. The assessment will be used to assess current program offerings, identify critical needs in each community, and create strategic initiatives and grant funding priorities to address gaps in services or programs offered.

Planning to attend? Please RSVP:

Online: unitedwayif.org | Email: outreach@unitedwayif.org | Phone: (208) 522-2674

On-site child care provided | Dinner served prior to the Community Conversation
