

# Summer Feeding Program

The Summer Feeding Program is catered to ease the suffering of childhood food insecurity during the summer. We teamed up with New Day Lutheran to provide lunches at easy access for kids at playgrounds in safe communities while their parents are at work. Along with food, we distribute books and STEAM kits for kids to take home to mitigate the effects of summer break learning loss.

Volunteer groups of 4 are expected to meet at the Idaho Falls Soup Kitchen and distribute lunches at Highland and Kate Curley parks. At least 2 people from each group should be able to lift 25lbs. Call United Way at (208)522-2674 for more details and to sign up.
